WRITING

Two years ago I watched a serial is called by Supernaturale. It is serial about two brothers which hunted on monsters. They have a few world their life: "Saving people, hunting vermin, family business." Serial is dynamical and horror, but a lot of fun of serial are women (because actors are hot gags).

Acter's play is perfect! I like Jansen Ackles which play a role of Dean Winchester. I recomend it because serial is epic and tragedy. It teach us how make a right change of way in the life, and that family is the most important than every thing. Are many actors such as Jansen Ackles, Jared Padaleiky, Misha Collins, Mark Shepard and many others in serial.

Supernaturale is not just a serial. It is a small life which we live. Supernaturale is a interesting story about two brothers saving the world.
