Hi Dear Jekery,

Thank you for your letter. You asked me to join the project. I want to study languages.

I need English badly. My future career is connected with English. I'm going to be a translator. If I were a translator, I would be happy. English is everywhere computer software is in English too. I think every well-educated person should know English.

I am in the eighth form. I am a student of a comprehensive school. I study English. I study advanced level. We have English five times a week. I'm lucky.

My name is Danil. I will invite my friends with pleasure. I like to work in a team.

I have to do my homework.

I'm looking forward to hearing from you.

Best wishes,

Danil
